## COMMUNITY

Koch companies and employees provide time, talent, and contributions to add value in our communities. We focus on programs that enable people to improve their lives, find fulfillment and realize their full potential. Here are some examples of Koch's community support in Michigan:

Recently, Molex sponsored the **University of Michigan Solar Car team** with funds and products that were featured in its championship cars. The team was able to purchase newer and **more efficient solar cells** that they install on the surface of the car to propel it past the competition.

Since 2009, Koch companies have received nearly **100 community stewardship awards**, including recognition in Michigan, for their **commitment to communities** and employee involvement across the globe.

## SAFETY AND ENVIRONMENT

Koch companies are committed to operating businesses in a manner that protects the health and safety of employees and communities, as well as the environment, by reducing waste and increasing efficiency. Here are some examples in Michigan:

OHSA's VPP STAR certification recognizes employers with **outstanding safety performance**. Georgia-Pacific holds **two STAR certifications** in the state (Albion and Beaver Creek/Grayling).

Georgia-Pacific's corrugated facility in Owosso received the **Safety Excellence** award from the Fibre Box Association for **no lost-time injuries**.
