COMMUNITY

Koch companies and employees provide time, talent, and contributions to add value in our communities. We focus on programs that enable people to improve their lives, find fulfillment and realize their full potential. Here are some examples of Koch's community support in Louisiana:

The Georgia-Pacific Bucket Brigade™ program **awards grants to fire departments** in its facility communities, including those in Louisiana. Launched in 2006, the program has contributed more than **\$1.5 million to departments** across the U.S.

The Georgia-Pacific Foundation Scholarship Program awards scholarships to children of employees from across the country, including Louisiana. Since the scholarship program began in 1988, the Georgia-Pacific Foundation has awarded **1,400 scholarships to employees' children** totaling \$11.4 million.

SAFETY AND ENVIRONMENT

Koch companies are committed to operating businesses in a manner that protects the health and safety of employees and communities, as well as the environment, by reducing waste and increasing efficiency. Here are some examples in Louisiana:

Georgia-Pacific's Port Hudson facility in Zachary is **STAR-certified in OSHA's Voluntary Protection Program** for outstanding safety performance.
