COMMUNITY

Koch companies and employees provide time, talent, and contributions to add value in our communities. We focus on programs that enable people to improve their lives, find fulfillment and realize their full potential. Here are some examples of Koch's community support in Delaware:

INVISTA's office in Wilmington supports the local **Toys for Tots** campaign, collecting and donating new toys to be given as holiday gifts to **local children**.

INVISTA employees in Seaford participate in **Principal for a Day at Seaford Middle School**. The program focuses on **STEM education** and addressing future workforce needs.

SAFETY AND ENVIRONMENT

Koch companies are committed to operating businesses in a manner that protects the health and safety of employees and communities, as well as the environment, by reducing waste and increasing efficiency. Here are some examples in Delaware:

INVISTA's nylon manufacturing site in Seaford recently celebrated **one year without a recordable injury** in September 2015.

INVISTA has designated 80 acres of its Seaford site as wildlife habitat and **donated 146 acres to the Nanticoke River Watershed Conservancy** for conservation purposes.
